**Office of Legislative Council**

**Thursday - 1 October 1959**

1. John Lehman, Chief Clerk of the Joint Economic Committee, called and asked if the time for the Director's appearance before the Subcommittee on Economic Statistics on Friday, 13 November 1959, could be shifted from 10:00 a.m. to 2:00 p.m. After a check was made with the Director's office, Mr. Lehman was informed that this would be satisfactory. In addition, arrangements were made to pick up the first group of materials which have been printed on the Subcommittee's study of Comparisons of the United States and Soviet Economies. These are being forwarded to Dr. Allen in ORE.

2. [redacted] met with Mr. Julius Cahn, Project Director for the Senate Government Operations Committee's Subcommittee on Reorganization, to discuss the subject of Sino-Soviet Bloc Economic Activities in Underdeveloped Areas. (See Memorandum for the Record for full details.)

3. Talked with William Macomber, Assistant Secretary for Congressional Relations, State Department, and advised him that we had learned that the House Committee on Un-American Activities planned some hearings in approximately six weeks in Texas, possibly El Paso, dealing with the Communist threat in Mexico and at these hearings would possibly have some Mexican Nationals for witnesses. Mr. Macomber thanked us for the information.

4. William Darden, Senate Armed Services Committee staff, telephoned saying that a constituent of Senator Richard B. Russell's was interested in the possibilities of concessions in the new CIA building. I explained to Mr. Darden that it was early for any specifics on this. Eventually Mr. Darden agreed that he might suggest that this individual address a letter on this subject to Colonel White. Darden is well aware that no action will be taken at this time other than an appropriate acknowledgment.
